*Message from the Southern Region Deputy Seneschal*

Greetings to the Seneschal, Exchequer, Chatelaine, Chronicler/Archery Marshal, Herald and MOAS elect (Warrant Pending) of the Shire of Blak Rose,

At your August meeting, there was a vote to hold an emergency special election for the office of Seneschal in October. A review of the sequence of events and your by-laws with our Kingdom Seneschal has determined there are no grounds to warrant an emergency election. Lady Alana resigned in writing naming her deputy as her successor. Her successor agreed, was found

acceptable to Kingdom and was confirmed. The office of Seneschal of Blak Rose was never vacant negating the need to hold an election. Pani Magdalena Gdanska is and will remain your Seneschal until your officers' elections in December.

Kind regards,

Mistress Ellesbeth Donofrey

Southern Region Deputy Seneschal

The archers of Blak Rose and the neighboring groups have been invited to a 3D shoot at the Carlisle Fish and Game Association that is being held just for us. The shoot will be held on Saturday, October 19, 2019. This is not a Shire-sponsored event. Participating archers will pay the Association directly, but we are welcome to wear garb. Other details are pending.

### **Archery/Thrown Weapons Marshal (Alana)**

No report.

## **Committee Reports**

### **Bylaws Committee (Franz)**

At the August shire meeting, Magdalena asked for volunteers to serve on a committee to review and revise the shire by-laws. A five-person committee was formed with myself as Chair.

The current by-laws, as they stand, provide us with a good and sound foundation to begin our task. One can see the great deal of dedicated work and effort the last committee put forth, and, for that, we say “vivat!”

The primary goal of the committee will be to work with Kingdom and Corpora as necessary to bring our by-laws into compliance with current policy. We will also be reviewing the entirety of the by-laws. This will include examining the by-laws of other shires for their policies and practices. Ultimately, we hope to present a set of comprehensive by-laws that can evolve with changing Kingdom and Society rule.

This will be a rather complex procedure which we hope to achieve with efficiency. Your patience in the coming months will be greatly appreciated; we’ll be updating our progress at each business meeting. Once we have a draft of the revised by-laws, it will be posted for populace review and comment prior to any vote.

If anyone has any questions or concerns, they may feel free to reach out to me

Adelaide de Beaumont at 08-31-19

Docs check, though we should say that the form appearing in the cited article is the masculine form, *inn illi*, though I believe *in illa* is the correct feminine form for same. No conflicts noted.

**Laurel Activities**

- The Wreath Sovereign at Arms announced changes to the procedure when an armory submission needs to be re-drawn.
- The Pelican Sovereign at Arms asked that when requesting the lingua Societatis form of a descriptive byname in a language other than English, submitters remember to document the modern phrase that the submitter wants.
- The Palimpsest Herald (rules keeper) announced several changes to the rules for submission regarding conflict of similar names.

**My Other Activities**
